ABOUT MEDİPOL UNIVERSITY

As Istanbul Medipol University, we are a foundation university providing education to approximately 648 foreign students from 63 different nationalities with a qualified education approach focused on science and technology production. In our highly qualified departments, we cast light on the future world with our academicians who have achieved international success in their fields and our privileged educational opportunities.

Medipol University is one the lead universities of Turkey with a colorful campus social life. Social and cultural activities, which are prepared and conducted freely by students, are rich and varied throughout the year.

Kavacık North-South Campuses

Istanbul Medipol University has two campuses in Beykoz Kavacık as south and north. Kavacık Campuses, located on the Anatolian Side of Fatih Sultan Mehmet Bridge, just outside the bridge, attract attention with its central location adjacent to Beykoz Forests. Kavacık Campus stands out with its spacious and comfortable amphitheatres, tennis and basketball courts, rest and chat areas, spacious halls, classrooms and gardens. Medipol aims to create an education base in Kavacık.

Haliç (Golden Horn) Campus

It is located on the edge of Haliç (Golden Horn) inside the city walls. The Campus is at the most central location in the city and stands out with its historical and cultural wealth. The Haliç (Golden Horn) Campus is home to a vibrant university life with its modern building, spacious lobby and gardens. Nearly 50 student clubs, including cinema, theater, music, travel and photography, add color to this life.

Bağcılar Campus

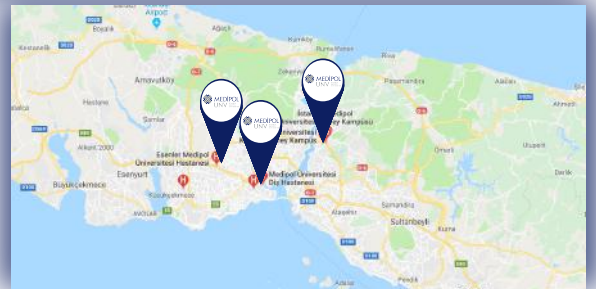

The Medipol MEGA University Hospital in Bağcılar, where the students are given practical courses and internship trainings, stands out with its central location at the edge of the TEM motorway and by being a giant educational complex. Medipol MEGA University Hospital, which has 4 hospitals as general, oncology, cardiovascular surgery and dental hospital, offers practical training to Medipol students with 470 bed capacity, 133 intensive care units, 246 outpatient rooms and 25 operating theaters.
